Create an Account

Each user that signs up to the GLO CMS Community **creates their own GLO-ID** which will be used to connect with other users and communities. Users will therefore only need to keep one profile updated and that profile can be synced through to various communities and other users.

1. Open the GLO CMS Community App
2. On the Sign In screen, click on **Sign Up**
3. Fill in your details & Click Sign Up

***What is a GLO-ID?**

This is just a "fancy" word for username.

Create your own GLO-ID (username) that is unique to you, it should be between 8 and 30 characters in length and can contain alphanumeric characters, but **no** special characters are allowed eg. NameSurname2020

***Important password guide:**

Create your password, it should be more than 8 characters, must contain a capital letter, and can contain alpha-numeric and special characters. eg. G34uqnf@87

4. Once you have clicked on the Submit button you will be directed to a Confirmation page.

Optional If you want to make any changes choose "Make Changes".

5. Enter confirmation code

Enter the confirmation code which has been sent to you via SMS. (Please note you will receive the confirmation code via Email should you not have completed the Mobile Number field on the Create an Account page)

Confirmation code

- Enter the code in the **Confirmation Code** field.
- Then click on the **Submit** button.
- You will be directed to the Sign In screen. Go ahead and sign in with your **GLO-ID or Email** address and your **password**.
